

FOCUS PERSONAL CONFIDENCE FUTURE

An intensive leadership programme that builds confidence in participants at a personal and leadership level.

Designed to give leaders the core leadership knowledge and self-knowledge to commit to focused personal and leadership skill development.

A high-paced programme, very participative and activity-based in its delivery.

Culminates in a personal and leadership development plan.

The programme is quality assured by NWU Business School.

PROGRAMME PHILOSOPHY

The context within which leaders must lead should determine the essential skills that leaders should develop. Developing these skills is a process that requires self-insight and a clear development plan.
