# Women Who Lead

Certificate issued by NWU

The programme equips women leaders to find their voice, be brave, remain real and have significance.

They will lead, think and behave differently to have a profound impact in their teams and organisations.

It is an applied leadership learning programme specifically designed for women who lead.

The content is science-based, the learning experience is intense, and the leadership skill developed of practical value. It is a challenging, sophisticated and extensive developmental experience at a full professional level in respect of leadership theory and practice.

Learning with only women allows for the preferred learning style, language and humour of women to be at play.

The programme is quality assured by NWU Business School.

## PROGRAMME PHILOSOPHY

“Leadership is not about men in suits. It is a way of life for those who know who they are and are willing to be their best to create the life they want to live.”
