# POST-GRADUATE DIPLOMA IN MANAGEMENT

(HEQF 8, Credits 120)

## Introduction

The North-West University's (NWU) Post-graduate Diploma in Management is offered by the NWU School of Business & Governance. For the past 35 years, the Faculty of Economic and Management Sciences of the NWU has delivered competent graduates to Southern Africa, who, in turn, make a proven contribution to the social- and economic growth in the region. The Business School

has as its aim to provide professional post-graduate management and business training. The personnel corps of the Business School makes a concerted effort to conciliate theory and practice so that management's strategic leadership potential can be fully unlocked. The programme content and the standard of this diploma ensure that participants obtain expertise from management and business practices in order to confront local as well as international challenges.
