

Professor Eon Smit

Professor Eon Smit holds the B.Comm. (cum laude), Hons.B.Comm. (cum laude), M.Comm. and D.Comm. degrees from Stellenbosch University and is emeritus professor and previous Director of the University of Stellenbosch Business School, visiting professor at Reims Management School in France and professor extraordinaire at Potchefstroom Business School. He lectures in the fields of Business Forecasting, Business Statistics and Derivative Instruments. He is editor of the Journal for Studies in Economics and Econometrics and the South African Journal of Business Management. He has been awarded a number of research awards and has published more than a hundred papers in accredited journals predominantly in the fields of management education, business cycle analysis and financial market phenomena. He has also read more than sixty papers at national and international conferences and has extensively consulted for business schools, government and private sector institutions. Until recently he was Chairman of the Advisory Board of the Bureau for Economic Research –of which he is still a member - as well as of the Institute for Futures Research at Stellenbosch University, while he is also a member of the Board of USB-ED, Tsiba Education and Plexcrown. He is an Advisory Board member of the University of Hull Business School in the UK and the EQUIS Quality Committee in Brussels. He has chaired more than thirty international business school audit teams for accreditation agencies such as EQUIS, AMBA and the CHE.
