louise.jansenvanrensburg@nwu.ac.za

Personal details

Title: Full name: Surname:

Student number: Cell phone number:

E-mail address:

Name of degree:

Site of delivery: Date of first registration:

Grant conditions

An amount of R45 000 is payable to doctoral students provided that the following conditions are met:

1. Applicants must be registered for a doctoral degree in the Faculty of Economic and Management Sciences North-West University.
2. The degree must be completed in two consecutive years.
3. An article must be submitted to an accredited DHET journal during the registered period or before the finalisation of the results.
4. Acknowledgment from the journal that the article was received must accompany the application.
5. Before an article is submitted, the journal, as well as the publisher, need to be checked for possible predatory activities. Articles submitted to these journals or publishers do not qualify.
    The following webpage can be used to verify the above: https://beallslist.net/
6. Applicants must obtain either Option 1, 2, 3, or 4 from all examiners after the first submission.
7. Students who received the full-time F-EMS bursary or UCDG grant may not apply for this opportunity.
8. The grant will only be awarded after the results have been finalised.
9. Applications close on the second Friday of December during the second year of registration for Doctoral students.
10. The outcome of the application will be communicated after the finalisation of the results by the F-EMS Examination committee.
